# M7 TAKES D1GP

The D1 Grand Prix (D1GP), Japan's premier professional drifting authority, recently released Championship results for the 2010 season, and atop the list was none other than our boy Yoichi Imamura, for the second year in a row (with three Champion wins overall), clenching the win from behind the wheel of his M7-prepped S15 Silvia. In Second was Toyo/GP Sports wheelman Kawabata Makoto, and sliding into Third was Masao Suenaga and his M7/RE Amemiya FD RX-7.
