**AQ MOTORSPORTS**  
**1:48.550**

The AQ Motorsports-sponsored '06 Subaru STI rocketed to a time of 1:48.550, a new Limited AWD class record and just over one second quicker than the previous record held by Ryan Gates and his AMS EVO X (1:49.805). The KRB Performance/FXMD Mitsubishi Eclipse GST proved to be a force to be reckoned with in Limited FF, as it managed to reset the record with a time of 1:55.375, held previously by Sportcar Motion (1:55.948). The KRB crew mentioned they re-built the entire car from the ground up in four weeks' time leading up to the event, adding new aero, suspension, and an upgraded Motec engine management with no time to spare—not even time to place graphics on the car.
